32	the taxable year, as calculated without the deduction for net
33	operating losses provided by Section 172 of the Internal Revenue
34	Code.
35	STEP TWO: Determine, in the manner prescribed in subsection
36	(b), the amount of the taxpayer's net operating losses that are
37	deductible for the taxable year under Section 172 of the Internal
38	Revenue Code, as adjusted to reflect the modifications required

35	available as a deduction from the taxpayer's adjusted gross income
36	(as defined in IC 6-3-1-3.5) in the carryback or carryover year

24	Indiana net operating loss carryback or carryover is used by the
2.5	taxpayer to obtain a deduction in a taxable year until the
26	occurrence of the earlier of the following:
27	(1) The entire amount of the Indiana net operating loss has
28	been used as a deduction.

11	taxable year in which each net operating loss was incurred.
12	(2) The amount of the taxpayer's net operating loss that is
13	derived from sources within Indiana shall be determined in
14	the same manner that the amount of the taxpayer's adjusted
15	income derived from sources within Indiana is determined
16	under section 2 of this chapter for the same taxable year
17	during which each loss was incurred.
18	(3) An Indiana net operating loss includes a net operating loss
19	that arises when the modifications required by IC 6-3-1-3.5
20	exceed the taxpayer's federal taxable income (as defined in
21	Section 63 of the Internal Revenue Code), if the taxpayer is a
22	corporation, or when the modifications required by
23	IC 6-3-1-3.5 exceed the taxpayer's federal adjusted gross
24	income (as defined by Section 62 of the Internal Revenue
25	Code), if the taxpayer is a nonresident person, for the taxable
26	year in which the Indiana net operating loss is determined.
27	(e) Subject to the limitations contained in subsection (g), an
28	Indiana net operating loss carryback or carryover shall be

30	derived from sources within Indiana (as defined in section 2 of this
31	chapter) in the carryback or carryover year provided in subsection
32	(f).
33	(f) Carrybacks and carryovers shall be determined under this
34	subsection as follows:
35	(1) An Indiana net operating loss shall be an Indiana net
36	operating loss carryback to each of the carryback years
37	preceding the taxable year of the loss.
38	(2) An Indiana net operating loss shall be an Indiana net
39	operating loss carryover to each of the carryover years
40	following the taxable year of the loss.
41	(3) Carryback years shall be determined by reference to the

number of years allowed for carrying back a net operating

1	loss under Section 172(b) of the Internal Revenue Code.
2	(4) Carryover years shall be determined by reference to the
3	number of years allowed for carrying over net operating
4	losses under Section 172(b) of the Internal Revenue Code.
5	(5) A taxpayer who makes an election under Section 172(b)(3)
6	of the Internal Revenue Code to relinquish the carryback
7	period with respect to a net operating loss for any taxable
8	year shall be considered to have also relinquished the

10	this section.
11	(g) The entire amount of the Indiana net operating loss for any
12	taxable year shall be carried to the earliest of the taxable years to

14	The amount of the Indiana net operating loss remaining after the
15	deduction is taken under this section in a taxable year may be
16	carried back or carried over as provided in subsection (f). The
17	amount of the Indiana net operating loss carried back or carried
18	over from year to year shall be reduced to the extent that the
19	Indiana net operating loss carryback or carryover is used by the
20	taxpayer to obtain a deduction in a taxable year until the
21	occurrence of the earlier of the following:
22	(1) The entire amount of the Indiana net operating loss has
23	been used as a deduction.
24	(2) The Indiana net operating loss has been carried over to
25	each of the carryover years provided by subsection (f).
26	(h) An Indiana net operating loss deduction determined under
27	this section shall be allowed notwithstanding the fact that in the
28	year the taxpayer incurred the net operating loss the taxpayer was
29	not subject to the tax imposed under section 1 of this chapter
30	because the taxpayer was:
31	(1) a life insurance company (as defined in Section 816(a) of
32	the Internal Revenue Code); or
33	(2) an insurance company subject to tax under Section 831 of
34	the Internal Revenue Code.
35	(i) In the case of a life insurance company that claims an
36	operations loss deduction under Section 810 of the Internal
37	Revenue Code, this section shall be applied by:
38	(1) substituting the corresponding provisions of Section 810 of
39	the Internal Revenue Code in place of references to Section
40	172 of the Internal Revenue; and
41	(2) substituting life insurance company taxable income (as

defined in Section 801 the Internal Revenue Code) in place of

1	references to taxable income (as defined in Section 63 of the
2	Internal Revenue Code).
3	(j) For purposes of an amended return filed to carry back an
4	Indiana net operating loss:
5	(1) the term "due date of the return" as used in
6	IC 6-8.1-9-1(a)(1) means the due date of the return for the
7	taxable year in which the net operating loss was incurred; and

- (1) a stockholder who is:
 - (A) an individual; or
 - (B) a member of the stockholder's family set forth in Section 318 of the Internal Revenue Code;

if the stockholder and the members of the stockholder's family directly, indirectly, beneficially, or constructively own

a total of at least fifty percent (50%) of the value of the taxpayer's outstanding stock;

- (2) a:
 - (A) stockholder; or
- (B) stockholder's partnership, estate, trust, or corporation; if the stockholder and the stockholder's partnership, estate, trust, or corporation directly, indirectly, beneficially, or constructively own a total of at least fifty percent (50%) of the value of the taxpayer's outstanding stock; or
- (3) a:
 - (A) corporation; or
 - (B) party related to the corporation in a manner that would require an attribution of stock from the corporation to the party or from the party to the corporation under the attribution rules of the Internal Revenue Code;
- if the taxpayer directly, indirectly, beneficially, or constructively owns a total of at least fifty percent (50%) of the value of the corporation's outstanding stock.

The attribution rules of the Internal Revenue Code apply for purposes of determining whether the ownership requirements of this definition have been met.

SECTION 13. IC 6-3-2-2, AS AMENDED BY P.L.192-2002(ss), SECTION 71, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004 (RETROACTIVE)]: Sec. 2. (a) With regard to corporations and nonresident persons, "adjusted gross income derived from sources within Indiana", for the purposes of this article, shall mean and include:

- (1) income from real or tangible personal property located in this state;
- (2) income from doing business in this state;
- (3) income from a trade or profession conducted in this state;
- (4) compensation for labor or services rendered within this state; and
- (5) income from stocks, bonds, notes, bank deposits, patents, copyrights, secret processes and formulas, good will, trademarks, trade brands, franchises, and other intangible personal property if the receipt from the intangible is attributable to Indiana under section 2.2 of this chapter; and
- (6) any business income, regardless of whether it is described in this subsection.

In the case of nonbusiness income described in subsection (g), only so much of such income as is allocated to this state under the provisions

of subsections (h) through (k) shall be deemed to be derived from sources within Indiana. In the case of business income, only so much of such income as is apportioned to this state under the provision of subsection (b) shall be deemed to be derived from sources within the state of Indiana. In the case of compensation of a team member (as defined in section 2.7 of this chapter) only the portion of income determined to be Indiana income under section 2.7 of this chapter is considered derived from sources within Indiana. In the case of a corporation that is a life insurance company (as defined in Section 816(a) of the Internal Revenue Code) or an insurance company that is subject to tax under Section 831 of the Internal Revenue Code, only so much of the income as is apportioned to Indiana under subsection (r) is considered derived from sources within Indiana.

- (b) Except as provided in subsection (l) and subject to subsection (o), if business income of a corporation or a nonresident person is derived from sources within the state of Indiana and from sources without the state of Indiana, then the business income derived from sources within this state shall be determined by multiplying the business income derived from sources both within and without the state of Indiana by a fraction, the numerator of which is the property factor plus the payroll factor plus the sales factor, and the denominator of which is three (3). However, after a period of two (2) consecutive quarters of income growth and one (1) additional quarter (regardless of any income growth), the fraction shall be computed as follows:
 - (1) For all taxable years that begin within the first calendar year immediately following the period, the numerator of the fraction is the sum of the property factor plus the payroll factor plus one hundred thirty-three percent (133%) of the sales factor, and the denominator of the fraction is three and thirty-three hundredths (3.33).
 - (2) For all taxable years that begin within the second calendar year following the period, the numerator of the fraction is the property factor plus the payroll factor plus one hundred sixty-seven percent (167%) of the sales factor, and the denominator of the fraction is three and sixty-seven hundredths (3.67).
 - (3) For all taxable years beginning on or after January 1 of the third calendar year following the period, the numerator of the fraction is the property factor plus the payroll factor plus two hundred percent (200%) of the sales factor, and the denominator of the fraction is four (4).

For purposes of this subsection, income growth occurs when the state's

nonfarm personal income for a calendar quarter increases in comparison with the state's nonfarm personal income for the immediately preceding quarter at an annualized compound rate of five percent (5%) or more, as determined by the budget agency based on current dollar figures provided by the Bureau of Economic Analysis of the United States Department of Commerce or its successor agency. The annualized compound rate shall be computed in accordance with the formula (1+N)⁴-1, where N equals the percentage change in the state's current dollar nonfarm personal income from one (1) quarter to the next. As soon as possible after two (2) consecutive quarters of income growth, the budget agency shall advise the department of the growth.

- (c) The property factor is a fraction, the numerator of which is the average value of the taxpayer's real and tangible personal property owned or rented and used in this state during the taxable year and the denominator of which is the average value of all the taxpayer's real and tangible personal property owned or rented and used during the taxable year. However, with respect to a foreign corporation, the denominator does not include the average value of real or tangible personal property owned or rented and used in a place that is outside the United States. Property owned by the taxpayer is valued at its original cost. Property rented by the taxpayer is valued at eight (8) times the net annual rental rate. Net annual rental rate is the annual rental rate paid by the taxpayer less any annual rental rate received by the taxpayer from subrentals. The average of property shall be determined by averaging the values at the beginning and ending of the taxable year, but the department may require the averaging of monthly values during the taxable year if reasonably required to reflect properly the average value of the taxpayer's property.
- (d) The payroll factor is a fraction, the numerator of which is the total amount paid in this state during the taxable year by the taxpayer for compensation, and the denominator of which is the total compensation paid everywhere during the taxable year. However, with respect to a foreign corporation, the denominator does not include compensation paid in a place that is outside the United States. Compensation is paid in this state if:
 - (1) the individual's service is performed entirely within the state;
 - (2) the individual's service is performed both within and without this state, but the service performed without this state is incidental to the individual's service within this state; or
 - (3) some of the service is performed in this state and:
 - (A) the base of operations or, if there is no base of operations,

the place from which the service is directed or controlled is in this state; or

- (B) the base of operations or the place from which the service is directed or controlled is not in any state in which some part of the service is performed, but the individual is a resident of this state.
- (e) The sales factor is a fraction, the numerator of which is the total sales of the taxpayer in this state during the taxable year, and the denominator of which is the total sales of the taxpayer everywhere during the taxable year. Sales include receipts from intangible property and receipts from the sale or exchange of intangible property. However, with respect to a foreign corporation, the denominator does not include sales made in a place that is outside the United States. Receipts from intangible personal property are derived from sources within Indiana if the receipts from the intangible personal property are attributable to Indiana under section 2.2 of this chapter. Sales of tangible personal property are in this state if:
 - (1) the property is delivered or shipped to a purchaser, other than the United States government, within this state, regardless of the f.o.b. point or other conditions of the sale; or
 - (2) the property is shipped from an office, a store, a warehouse, a factory, or other place of storage in this state and:
 - (A) the purchaser is the United States government; or
- (B) the taxpayer is not taxable in the state of the purchaser. Gross receipts derived from commercial printing as described in IC 6-2.5-1-10 shall be treated as sales of tangible personal property for purposes of this chapter.
- (f) Sales, other than receipts from intangible property covered by subsection (e) and sales of tangible personal property, are in this state if:
 - (1) the income-producing activity is performed in this state; or
 - (2) the income-producing activity is performed both within and without this state and a greater proportion of the income-producing activity is performed in this state than in any other state, based on costs of performance.
- (g) Rents and royalties from real or tangible personal property, capital gains, interest, dividends, or patent or copyright royalties, to the extent that they constitute nonbusiness income, shall be allocated as provided in subsections (h) through (k).
- (h)(1) Net rents and royalties from real property located in this state are allocable to this state.
 - (2) Net rents and royalties from tangible personal property are

allocated to this state:

- (i) if and to the extent that the property is utilized in this state; or
- (ii) in their entirety if the taxpayer's commercial domicile is in this state and the taxpayer is not organized under the laws of or taxable in the state in which the property is utilized.
- (3) The extent of utilization of tangible personal property in a state is determined by multiplying the rents and royalties by a fraction, the numerator of which is the number of days of physical location of the property in the state during the rental or royalty period in the taxable year, and the denominator of which is the number of days of physical location of the property everywhere during all rental or royalty periods in the taxable year. If the physical location of the property during the rental or royalty period is unknown or unascertainable by the taxpayer, tangible personal property is utilized in the state in which the property was located at the time the rental or royalty payer obtained possession.
- (i)(1) Capital gains and losses from sales of real property located in this state are allocable to this state.
- (2) Capital gains and losses from sales of tangible personal property are allocable to this state if:
 - (i) the property had a situs in this state at the time of the sale; or
 - (ii) the taxpayer's commercial domicile is in this state and the taxpayer is not taxable in the state in which the property had a situs
- (3) Capital gains and losses from sales of intangible personal property are allocable to this state if the taxpayer's commercial domicile is in this state.
- (j) Interest and dividends are allocable to this state if the taxpayer's commercial domicile is in this state.
 - (k)(1) Patent and copyright royalties are allocable to this state:
 - (i) if and to the extent that the patent or copyright is utilized by the taxpayer in this state; or
 - (ii) if and to the extent that the patent or copyright is utilized by the taxpayer in a state in which the taxpayer is not taxable and the taxpayer's commercial domicile is in this state.
 - (2) A patent is utilized in a state to the extent that it is employed in production, fabrication, manufacturing, or other processing in the state or to the extent that a patented product is produced in the state. If the basis of receipts from patent royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the patent is utilized in the state in which the taxpayer's commercial domicile is located.
 - (3) A copyright is utilized in a state to the extent that printing or

other publication originates in the state. If the basis of receipts from copyright royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the copyright is utilized in the state in which the taxpayer's commercial domicile is located.

- (1) If the allocation and apportionment provisions of this article do not fairly represent the taxpayer's income derived from sources within the state of Indiana, the taxpayer may petition for or the department may require, in respect to all or any part of the taxpayer's business activity, if reasonable:
 - (1) separate accounting;
 - (2) the exclusion of any one (1) or more of the factors;
 - (3) the inclusion of one (1) or more additional factors which will fairly represent the taxpayer's income derived from sources within the state of Indiana; or
 - (4) the employment of any other method to effectuate an equitable allocation and apportionment of the taxpayer's income.
- (m) In the case of two (2) or more organizations, trades, or businesses owned or controlled directly or indirectly by the same interests, the department shall distribute, apportion, or allocate the income derived from sources within the state of Indiana between and among those organizations, trades, or businesses in order to fairly reflect and report the income derived from sources within the state of Indiana by various taxpayers.
- (n) For purposes of allocation and apportionment of income under this article, a taxpayer is taxable in another state if:
 - (1) in that state the taxpayer is subject to a net income tax, a franchise tax measured by net income, a franchise tax for the privilege of doing business, or a corporate stock tax; or
 - (2) that state has jurisdiction to subject the taxpayer to a net income tax regardless of whether, in fact, the state does or does not.
- (o) Notwithstanding subsections (l) and (m), the department may not, under any circumstances, require that income, deductions, and credits attributable to a taxpayer and another entity be reported in a combined income tax return for any taxable year, if the other entity is:
 - (1) a foreign corporation; or
 - (2) a corporation that is classified as a foreign operating corporation for the taxable year by section 2.4 of this chapter.
- (p) Notwithstanding subsections (l) and (m), the department may not require that income, deductions, and credits attributable to a taxpayer and another entity not described in subsection (o)(1) or (o)(2) be

reported in a combined income tax return for any taxable year, unless the department is unable to fairly reflect the taxpayer's adjusted gross income for the taxable year through use of other powers granted to the department by subsections (l) and (m).

- (q) Notwithstanding subsections (o) and (p), one (1) or more taxpayers may petition the department under subsection (l) for permission to file a combined income tax return for a taxable year. The petition to file a combined income tax return must be completed and filed with the department not more than thirty (30) days after the end of the taxpayer's taxable year.
- (r) This subsection applies to a corporation that is a life insurance company (as defined in Section 816(a) of the Internal Revenue Code) or an insurance company that is subject to tax under Section 831 of the Internal Revenue Code. The corporation's adjusted gross income that is derived from sources within Indiana is determined by multiplying the corporation's adjusted gross income by a fraction:
 - (1) the numerator of which is the direct premiums and annuity considerations received during the taxable year for insurance upon property or risks in the state; and
 - (2) the denominator of which is the direct premiums and annuity considerations received during the taxable year for insurance upon property or risks everywhere.

The term "direct premiums and annuity considerations" means the gross premiums received from direct business as reported in the corporation's annual statement filed with the department of insurance.".

Page 17, after line 42, begin a new paragraph and insert:

- "(f) An adjustment under subsection (a)(1)(H) or (e) is not required to the extent that:
 - (1) the taxpayer establishes by clear and convincing evidence, as determined by the department, that the adjustment is unreasonable; or
 - (2) the taxpayer and the department agree in writing to the application or use of an alternative method of apportionment.

 - (A) an individual; or

if the stockholder and the members of the stockholder's family directly, indirectly, beneficially, or constructively own a total of at least fifty percent (50%) of the value of the taxpayer's outstanding stock;

HOUSE MOTION

Mr. Speaker: I move that House Bill 1365 be amended to read as follows:

Page 31, between lines 6 and 7, begin a new paragraph and insert: "SECTION 23. IC 6-8.1-3-16, AS AMENDED BY P.L.192-2002(ss), SECTION 141, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2004]: Sec. 16. (a) The department shall prepare a list of all outstanding tax warrants for listed taxes each month. The list shall identify each taxpayer liable for a warrant by name, address, amount of tax, and either Social Security number or employer identification number. Unless the department renews the warrant, the department shall exclude from the list a warrant issued more than ten (10) years before the date of the list. The department shall certify a copy of the list to the bureau of motor vehicles.

- (b) The department shall prescribe and furnish tax release forms for use by tax collecting officials. A tax collecting official who collects taxes in satisfaction of an outstanding warrant shall issue to the taxpayers named on the warrant a tax release stating that the tax has been paid. The department may also issue a tax release:
 - (1) to a taxpayer who has made arrangements satisfactory to the department for the payment of the tax; or

to a taxpayer whose name appears on the most recent monthly warrant list, unless that taxpayer pays the tax, makes arrangements satisfactory to the department for the payment of the tax, or a release is issued under IC 6-8.1-8-2(k).

- (d) The bureau of motor vehicles shall, before issuing the title to a motor vehicle under IC 9-17, determine whether the purchaser's or assignee's name is on the most recent monthly warrant list. If the purchaser's or assignee's name is on the list, the bureau shall enter as a lien on the title the name of the state as the lienholder unless the bureau has received notice from the commissioner under IC 6-8.1-8-2(k). The tax lien on the title:
 - (1) is subordinate to a perfected security interest (as defined and perfected in accordance with IC 26-1-9.1); and
 - (2) shall otherwise be treated in the same manner as other title liens.
- (e) The commissioner is the custodian of all titles for which the state is the sole lienholder under this section. Upon receipt of the title by the department, the commissioner shall notify the owner of the department's receipt of the title.
- (f) The department shall reimburse the bureau of motor vehicles for all costs incurred in carrying out this section.
- (g) Notwithstanding IC 6-8.1-8, a person who is authorized to collect taxes, interest, or penalties on behalf of the department under IC 6-3 or IC 6-3.5 may not, except as provided in subsection (h) or (i), receive a fee for collecting the taxes, interest, or penalties if:

 - (2) the taxpayer has been denied a certificate or license under subsection (c) within sixty (60) days before the date the taxes, interest, or penalties are collected.
 - (h) In the case of a sheriff, subsection (g) does not apply if:

 - (2) the sheriff collects the taxes, interest, or penalties through the sale or redemption, in a court proceeding, of a motor vehicle that has a lien placed on its title under subsection (d).
 - (i) In the case of a person other than a sheriff:
 - (1) subsection (g)(2) does not apply if the person collects the taxes, interests, or penalties within sixty (60) days after the date the commissioner employs the person to make the collection; and

taxes, interest, or penalties through the sale or redemption, in a court proceeding, of a motor vehicle that has a lien placed on its title under subsection (d).

- (j) IC 5-14-3-4, IC 6-8.1-7-1, and any other law exempting information from disclosure by the department does not apply to this subsection. From the list prepared under subsection (a), the department shall compile each month a list of the taxpayers subject to tax warrants that:
 - (1) were issued at least twelve (12) months before the date of the list; and
- (2) are for amounts that exceed one thousand dollars (\$1,000). The list compiled under this subsection must identify each taxpayer liable for a warrant by name, address, and amount of tax. The department shall publish the list compiled under this subsection on accessIndiana (as defined in IC 5-21-1-1.5) and make the list available for public inspection and copying under IC 5-14-3. The department or an agent, employee, or officer of the department is immune from liability for the publication of information under this subsection.
- (k) The department may not publish a list under subsection (j) that identifies a particular taxpayer unless at least two (2) weeks before the publication of the list the department sends notice to the taxpayer stating that the taxpayer:
 - (1) is subject to a tax warrant that:
 - (A) was issued at least twelve (12) months before the date of the notice; and
 - (B) is for an amount that exceeds one thousand dollars (\$1,000); and
 - (2) will be identified on a list to be published on accessIndiana unless a tax release is issued to the taxpayer under subsection (b).

The amount determined is the base year revenue for the city or county. The treasurer of state shall certify the base year revenue determined under this subsection to the city or county. The total amount of money distributed to a city or county under this section during a state fiscal year may not exceed the entity's base year revenue. For each state fiscal year beginning after June 30, 2002, the treasurer of state shall pay that part of the riverboat wagering taxes that:
 - (1) exceeds a particular city or county's base year revenue; and

If in any state fiscal year insufficient money is transferred to the property tax replacement fund under subsection (a)(3) to comply with this subsection, the treasurer of state shall reduce the amount transferred to the build Indiana fund to the amount available in the property tax replacement fund from the transfers under subsection (a)(3) for the state fiscal year.
- (e) Before August 15 of 2003 and each year thereafter, the treasurer of state shall distribute the wagering taxes set aside for revenue sharing under subsection (a)(1) to the county treasurer of each county that does not have a riverboat according to the ratio that the county's population bears to the total population of the counties that do not have a riverboat. Except as provided in subsection (h), the county auditor shall distribute the money received by the county under this subsection as follows:
 - (1) To each city located in the county according to the ratio the city's population bears to the total population of the county.
 - (2) To each town located in the county according to the ratio the

- town's population bears to the total population of the county.
- (3) After the distributions required in subdivisions (1) and (2) are made, the remainder shall be retained by the county.
- (f) Money received by a city, town, or county under subsection (e) or (h) may be used for any of the following purposes:

 - (2) For deposit in a special fund or allocation fund created under IC 8-22-3.5, IC 36-7-14, IC 36-7-14.5, IC 36-7-15.1, and IC 36-7-30 to provide funding for additional credits for property tax replacement in property tax increment allocation areas or debt repayment.

- (g) This subsection does not apply to an entity receiving money under IC 4-33-12-6(c). Before September 15 of 2003 and each year thereafter, the treasurer of state shall determine the total amount of money distributed to an entity under IC 4-33-12-6 during the preceding state fiscal year. If the treasurer of state determines that the total amount of money distributed to an entity under IC 4-33-12-6 during the preceding state fiscal year was less than the entity's base year revenue (as determined under IC 4-33-12-6 or IC 4-33-12-7), the treasurer of state shall make a supplemental distribution to the entity from taxes collected under this chapter and deposited into the property tax replacement fund. The amount of the supplemental distribution is equal to the difference between the entity's base year revenue (as determined under IC 4-33-12-6 or IC 4-33-12-7) and the total amount of money distributed to the entity during the preceding state fiscal year under IC 4-33-12-6.
- (h) This section applies only to a county containing a consolidated city. The county auditor shall distribute the money received by the county under subsection (d) as follows:

STEP TWO: Determine, in the manner prescribed in subsection (b), the amount of the taxpayer's net operating losses that are deductible for the taxable year under Section 172 of the Internal Revenue Code, as adjusted to reflect the modifications required by IC 6-3-1-3.5.

STEP THREE: Enter the larger of zero (0) or the amount determined under STEP TWO.

STEP FOUR: Subtract the amount entered under STEP THREE from the amount determined under STEP ONE.

(b) For purposes of STEP TWO of subsection (a), the modifications that are to be applied are those modifications required under IC 6-3-1-3.5 for the same taxable year during which each net operating loss was incurred. In addition, for purposes of STEP TWO of subsection (a), the following procedures apply:

 - (1) The modifications that are to be applied are those modifications required under IC 6-3-1-3.5 for the same taxable year in which each net operating loss was incurred.
 - (2) An Indiana net operating loss includes a net operating loss that arises when the modifications required by IC 6-3-1-3.5 exceed the taxpayer's federal taxable income (as defined in Section 62 of the Internal Revenue Code) for the taxable year in which the Indiana net operating loss is determined.
- (e) Subject to the limitations contained in subsection (g), an Indiana net operating loss carryback or carryover shall be available as a deduction from the taxpayer's adjusted gross income (as defined in IC 6-3-1-3.5) in the carryback or carryover year provided in subsection (f).
- (f) Carrybacks and carryovers shall be determined under this subsection as follows:
 - (1) An Indiana net operating loss shall be an Indiana net operating loss carryback to each of the carryback years preceding the taxable year of the loss.
 - (2) An Indiana net operating loss shall be an Indiana net operating loss carryover to each of the carryover years following the taxable year of the loss.

 - (5) A taxpayer who makes an election under Section 172(b)(3)

of the Internal Revenue Code to relinquish the carryback period with respect to a net operating loss for any taxable year shall be considered to have also relinquished the carryback of the Indiana net operating loss for purposes of this section.

- (g) The entire amount of the Indiana net operating loss for any taxable year shall be carried to the earliest of the taxable years to which (as determined under subsection (f)) the loss may be carried. The amount of the Indiana net operating loss remaining after the deduction is taken under this section in a taxable year may be carried back or carried over as provided in subsection (f). The amount of the Indiana net operating loss carried back or carried over from year to year shall be reduced to the extent that the Indiana net operating loss carryback or carryover is used by the taxpayer to obtain a deduction in a taxable year until the occurrence of the earlier of the following:
